

MEMORY MAKERS

A LIGHTS, CAMERA, ACTION EXPERIENCE

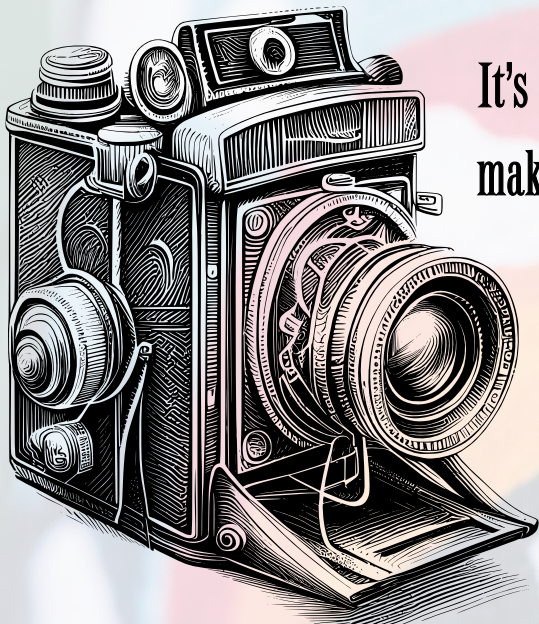

Thrill Seekers, Adventure Junkies, Travel Enthusiasts, Memory Makers,

We are well on our way into 2025 - the bitter cold, snow, and ice have kept Bill and I stuck in our home, like many of you. I am thankful to be able to plan and organize our upcoming Memory Makers adventures from the comfort of our warm home. I am anxiously awaiting the time we can embark on our spring adventures.

This winter weather has given me time to work on a diamond art project. Placing each little bead in place on the canvas improves and changes the picture, just as each and every one of you enhance the picture of our Memory Makers travel program. It just would not be the same without you...You complete the picture!

Group travel is a journey that takes us many places, locally, nationally as well as internationally. So we begin, "lights, camera, action!" Make certain you are in the picture. Our journey together will make 2025 come alive!

Tell us your top 5 most memorable Memory Makers trips and sign up with a deposit for a 2025 adventure. By doing so, you will be entered into a drawing for a chance to win a \$100, \$50, or \$25 gift certificate toward a future Memory Makers trip!

It's 2025 and we are ALIVE so let us go and make some great Memory Makers' Memories!

Every day is a new opportunity to create your masterpiece. Let's capture some precious and wonderful Memory Makers moments into our 2025 Album.
